## In this issue:

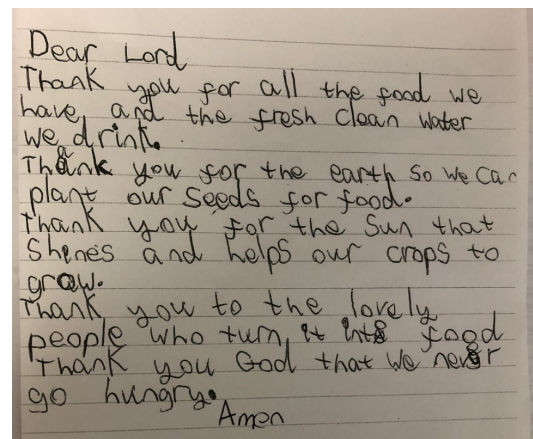

- Welcome Back
- Prayer
- Upcoming Dates
- Attendance
- Harvest
- Keeping up to date
- Remembrance Poppy Trail

Read this beautiful prayer by Brooke in year 2. →

## HEAD'S LINES

We have had a busy couple of weeks and the children have been working hard. It has been great to see their writing flourish and I have particularly enjoyed reading some of year 5 & 6 diary entries. I had the pleasure of teaching year 5 earlier in the week and must compliment them on their superb learning attitude. We are working very hard on re-developing the pupils Growth Mindset particularly after such a long time away from formal education. Independence is definitely a key skill we are working on! We appointed Mrs Bateman on a temporary basis to work within year 2—she has made a fantastic start and I hope you will make her feel very welcome. As some of you are aware, Mrs Golbourn is unfortunately unwell at the moment and our thoughts and prayers are with her. Thank you to those parents who have sent their love to her. *Mrs Batt*

## Upcoming Dates

- |             |   |
|-------------|---|
| 12.10.20    | Parents Evening phone calls                   |

## Attendance

I am really pleased to once again announce that our attendance remains at an outstanding level of 98%. This week the two classes with the highest attendance were:

**Bumblebee Class & Deer Class both with 99%.**

**Well Done!**

*Growing Together in Faith, Knowledge and Love*

# Harvest

This week we launched our Harvest fund raising project. We have been planning how we as a school can support others in our world whilst still celebrating the good things

we get from Harvest. In order to give thanks for what we are fortunate to have and to support some of the needy in our society we will be donating food the Epping Food Bank. Following COVID, there are many families who are struggling financially and being able to donate food is a great way for us to show our love and care for them. Please could all children bring in at least one item next week to give as part of Harvest service on Tuesday 13th October 2020.

**Thank you.**

## Keeping up to date

In your child's homework folder an up to date permission slip was included. This requires completion for GDPR purposes. Please complete it and leave it in the homework folder for the teacher to check.

Thank you.

## Moreton Remembrance Poppy Trail

Friends of Moreton School would like all our creative children and their siblings to make remembrance stones to lay outside the school to make a wonderful poppy trail heading towards the church.

We will start the trail from Monday 2<sup>nd</sup> November. You may lay your stones on your way into school. We will also have a donation bucket for the Poppy appeal outside the front gate.

Let's brighten up our village and help remember all our hero's that fought in the war.

To adhere with Covid guidelines, we ask the children to place their stones outside the school with their parent / carer and not to bring any stones into class. Once these stones are placed may we ask parents not to let any children pick them up again. Many thanks for your help with this.
