Dear Parent/Carers,

Year 6 Residential Visit 2020-21

We are pleased to inform you that we have finalised arrangements for the Year 6 residential which will be to Essex Outdoors Danbury during the week commencing 14th June 2021. Following COVID-19, we have moved the residential from the Autumn to the Summer Term.

Essex Outdoors Danbury has been offering a high-quality outdoor education for over 50 years. As a school this will be our third visit to Danbury and we are impressed with the service they provide. During the course of our stay the children will participate in a range of activities, yet to be finalised, but likely to include abseiling, climbing, coastal work, high wire activities and a variety of confidence building challenges. The activity centre is run by appropriately qualified and trained staff and we will be taking our own staff with us. Accommodation is in one of their new 'pods', normally 4 or 8 to a room. There is a separate toilet and shower facility and a separate pod for accompanying adults. The site has high security for 24 hours and adheres to all necessary safeguarding compliance. For more information about the site and the activities that the children will experience you can visit their website at <https://www.essexoutdoors.com/schools/>

I do hope that all the children will want to attend. The cost of the 5 day trip is £395 and covers the cost of accommodation, all meals, activities, travel and insurances. In order to secure the booking, we require a non-refundable deposit of £100 by 25th September 2020. All payments will need to be made through our on-line payment system.

We recognise that this is a significant amount of money. If it helps, you can choose to pay in small instalments throughout the year but you should be aware that there are also three instalment dates by which a minimum amount needs to be paid (not including the deposit). These are:

- 30th November 2020 - £100
- 12th February 2021 - £100
- 30th April 2021 - £95

To avoid the school being required to meet any shortfall we are asking that all deadlines are met. If any outstanding payments have not been brought up to date within two weeks of the original deadline without any explanatory discussion with the school, you may be informed by letter that your child has been withdrawn from the trip.

We will hold an information session for parents, to answer any questions you may have, early in the Autumn Term. The Year 6 residential trip is a fantastic week, that is often one of the most memorable experiences for pupils in primary school. If you have any queries please do not hesitate to contact me.
Yours sincerely
