7th October 2020

Dear Parent/Carer,

HARVEST

At this time of year we would be looking forward to celebrating harvest and reminding ourselves of how fortunate we are in our country. Due to COVID our celebrations will be slightly different this year. We will still be able to celebrate in the local church but we will be going in 3 separate bubbles on Tuesday 13th October 2020. The church will be cleaned in between each service. Although we will not be able to sing, we will be worshipping in song using sign language. Other elements of the service will be the same and it will be a time for each bubble to share their thoughts on harvest.

COVID has hit some families harder than others, particularly if a member of the family has lost their job due to the economic difficulties we are experiencing. This year we are supporting the Epping Forest Foodbank. They are working hard to try and spread awareness about food poverty in our community by breaking the stigma that still remains around having to come to a Foodbank. We would like all children to bring in an item that can be donated to the Foodbank. Please could they bring this item in on Tuesday 13th October 2020. Children will carry their own item to the church and it will be placed in a donation box for their bubble. These items will then be left for 72 hours in the church before being collected and donated to the Foodbank. A list of items that the Foodbank are requesting is on the next page.

Thank you for your support and generosity during this pandemic.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Ny Batt'.
