7<sup>th</sup> October 2020

Dear Parent/Carer,

Parents Evening

As you are aware, due to COVID restrictions we are unable to allow visitors on site at present which means that we will be holding our parents evenings by telephone this term. Teachers will contact you by telephone on one of the designated sessions below. As we only have two telephone lines, these will be throughout the next two weeks.

During this time, teachers will be able to discuss with you how well your child has settled since returning following a break in school life, their current level of achievement and targets for them moving forward. If you have particular queries that you would like to discuss, please could you send a bullet point list of these to the teacher through Class Dojo/Seesaw prior to your appointment as calls will be limited to 10 minutes. Only one call will be made to parents with the exception of those parents who live separately.

Please send a message to the class teacher via Dojo or Seesaw with your preferred day by Friday 9<sup>th</sup> October at 4pm. All calls will be made to the main contact number that we hold for you at school.

Thank you for your understanding during these unprecedented times and we hope that we will be in a position to openly welcome parents back into school to view work in the near future.

Yours sincerely

Mrs N. Batt  
Head Teacher
