

## Seesaw instructions

All children in EYFS and Key Stage 1 have been given a Home Learning Code. Follow the instructions below to access the account and the learning that is posted on there.

1. Students go to <https://app.seesaw.me> on a computer. Or install the Seesaw Class App on an iOS or Android device.
2. Students tap “I’m a Student”.
3. Students scan their code using Seesaw’s built-in QR code reader or type in their (16 character) text code to access their Seesaw account. This has been given to parents. Please contact us if you require a reminder.

Families can install the Seesaw Family account in addition, this will enable you to message your child’s class teachers.

If you have more than one child with a Seesaw account, you will need to sign in and out of the home learning app to access and post responses to work, however on the Families app, you can link the two accounts.
