22nd January 2021

Dear Parent/Carer,

Thank you to all those who were able to join us on Tuesday for the parent forum about our remote learning provision. It was very encouraging to hear the positive feedback. I am aware that some of you were unable to join. I would be grateful if you could take the time to complete this short survey to help us make sure we're providing the right support for you and your child. It will help us to:

- Find out what we're doing well
- How we can support you more
- Ensure we're meeting the needs of the children

It will also be encouraging for the staff to be acknowledged for all their hard work over the past three weeks.

<https://forms.gle/D512yAyT2sxgzEJQA>

The survey will take about 5 – 10 minutes and will be open until Wednesday 27th January 2021.

As a reminder remote learning is not the same as digital learning and we are trying to ensure that the work set provides a balance of screen time and outdoor activities. It is really important that you try to get outside in the fresh air every day as this will benefit your mental health.

We have now reached a point in our KS2 bubble where the numbers have risen which means that going forward we are unable to take in any more pupils. We understand the immense pressures many of you are under and we will support you in any way we can. You are all doing an amazing job supporting your child/rens learning and wellbeing during this time. Find what works for you and do what you can. Remember that you are first a parent/carer to your child and not a teacher – they will react differently to you than they do at school.

Make sure you stay safe and we send our blessings to you this weekend.
