

Hope Reflections

As part of our Collective Worship we had an interactive prayer session focusing on 'Hope'. There were six stations:

- Hope for our world – writing prayers on a leaf and putting them on our prayer tree
- Hope for those in need – dot on Pudsey bears eye patch to prayer for those in need
- Our own hopes and aspirations – writing them on stars
- Hope growing and blossoming – writing hopes for the future and making into a flower that opens out
- Jesus as light of world and hope he brings – light a candle and colour a flame
- Hope for ourselves – Jesus rescuing us when we need his healing hand and hope

The children were very enthusiastic and engaged well writing some very thoughtful responses.
