This updated version includes suggested text/additions that reflect the requirements set out in the DfE guidance published April 2022: Emergency planning and response for education, childcare and children's social care settings.

In the event of an emergency, the school's aim is to minimise the amount and length of any disruption to education or childcare, including maximising the number of children, pupils and students who are in face-to-face provision. Safeguarding and promoting the welfare of children remains of paramount importance. The school will continue to have regard to the statutory safeguarding guidance that applies to our setting.

2.2 Initial action

Immediately inform the headteacher or nominated emergency contact. If neither is able to respond (they may be involved in the incident) the senior person present should follow the instructions below.

- **Assess the situation and establish a basic overview of the incident.**
