Growing Together in Faith, Knowledge
and Love

Headteacher Welcome

We have reached the end of a very busy term here at Moreton, filled with fantastic learning and exciting events. Over the term we have also been focusing on humility and thinking of others. It has been wonderful to bring our love and compassion to others in what we do and in the charitable events that we hold. Thank you for supporting these as it helps the most vulnerable in our society.

We are looking forward to next term, hopefully full of sunshine, and being able to consolidate learning from the year. We have sent home an overview of next term's learning with suggestions of how you can support your child at home. These can also be found on our website, along with our full curriculum for each subject.

Thank you for all your support towards the staff here at Moreton - together we are able to see real progress in the developments of your children. Have a wonderful Easter celebrating with your friends and family.

Upcoming Dates

31.3.23	Last day of term
17.4.23	Return to school
21.4.23	Roses wear red for St. George's Day
24.3.23	Clubs begin for the summer term
1.5.23	Bank Holiday
5.5.23	EYFS to Wyvernwood
7.5.23	King's coronation celebrations
8.5.23	Bank Holiday (King's coronation)

Please see our website for the summer term dates

Lots of different hairstyles

Charity work

We have raised over £20 this year for Red Nose Day and collected items for the foodbank.

On Red Nose Day, we paid £1 for non school uniform and if you wanted crazy hair it was £2. We did a treasure hunt with a prize for the winner which was Marnie in year 1 and Ruby in year 6. Marnie won a smiggle pencil case and Ruby won some scented smiggle pens. We also did a joke competition and each house had one person who won. There was even a lego competition - 2 people won. Ruby, Lola and Chloe in year 6 picked who won the lego and the joke competition.

These were our winning entries:

A post box of happiness by Will in year 2

A boy in a wheelchair planting trees by Kobie in year 3

House points .
This week

1st	Shamrock
2nd	Roses
3rd	Daffodils
4th	Thistles

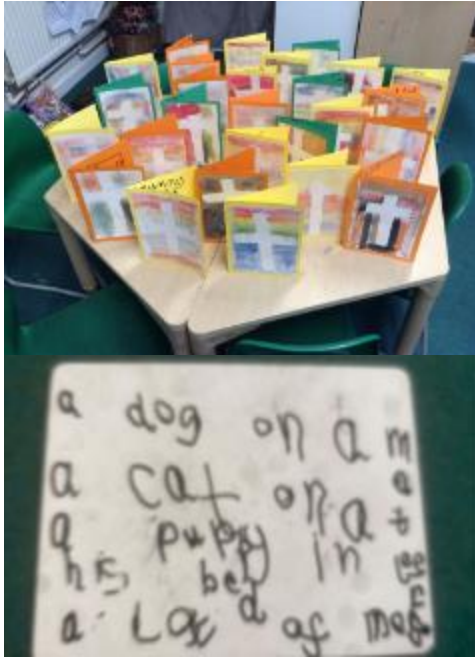

Termly winners:

1st	Roses
2nd	Shamrocks
3rd	Daffodils
4th	Thistles

Roses have won a treat of ice lolly and games Friday on the first week back.

EYFS

Fabulous writing by Darci, EYFS

Our butterflies have hatched

By Ruby W

Year 1 & 2

Year 1 and 2 have been working hard all term learning about the UK. They have also been looking at materials in Science. This helped year 2 to think about the materials to make clothing for travelling ted.

Characters and setting by Sophia in year 2

Strong
rock
brick
Rubber
Wood

Fragile
paper
fabric

it will be
hard to Pook
on.

in the sun it
will here the
in the sun
life.

it will be by
it will be by.

it will be in the sun
it will be in the sun
bang wen you
sit on a cher.

Comparing materials by Marnie in year 2

Hope by Johnny in year 1

Year 3

Our topic was about the Blue Planet.
We found out about the different biomes and climates on Earth .
We looked at the lines of Latitude on the globes.

In stem club we were making Oobleck. To it you need water, food colouring and cornflour. When you squeeze it, it's hard and when you let it go it spreads on your hands.

By Henry & Kobie

We went to St John's Epping . We listened to nails hammered in to wood . We went in to a tomb.

We made Easter Gardens to remind us of the sacrifice that Jesus made.

Year 4

Freddie & Henry

In year 4 we have been learning about shape in maths. We have learnt about different angles, the different types of triangles, quadrilaterals and lines of symmetry.

In English, we have learnt how to write a fairytale setting description about the BFG.

In French, we have learnt different shop names in the French language.

In science and geography, we have been busy writing how we can help our planet and how some things are endangered.

In RE, we have learnt about the Easter story and how Jesus was crucified on the cross.

In our art/D.T lessons, we have learnt how to sew fish to make a diorama of how to save our ocean.

Roald Dahl Production

By Penny

Year 3 and 4 worked so hard on our play – we told hidden meanings and weird words from Roald Dahl's books. Lots of parents came to see the amazing play. It showcased the books we studied and lots of amazing singing. Roald Dahl invented over 500 words and wrote 20 children's books. He wrote many of his stories in his shed at the bottom of his garden. He died aged 72.

Year 5

At Greenwich we looked at many different things like, the meridian line, the planetarium, telescopes and we went into the royal observatory. We also looked at part of an asteroid stone that was 4.5 billion years old. In the planetarium we looked at what different planets looked like and some things about them.

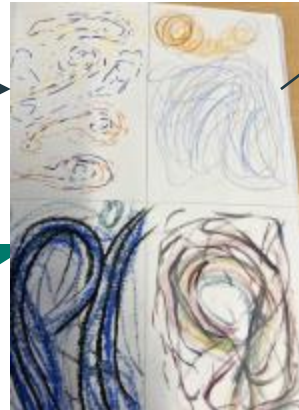

By Jessica W

By Chloe

Year 6

In year 6 we have had a very busy half term. During art we did digital art which is when you have a background and you add things onto it.

We all enjoyed our trip to London. We went up to people and asked what they like about Greenwich. Many people loved the park. We also went into the planetarium and learnt about Mars and Uranus

Chloe's art progression

Finished pieces by Esme and Martha, year 6

My final product was successful because my movement worked really well and I liked experimenting with different photos & posters.
I most like that I chose photos because you can pick what you want to do with it.
If I were to do this again I would use things to give more movement and more of a galaxy look.
I really enjoyed exploring the net and watching people make because I haven't made before. I also remember about you could play on a computer to do art. It was a very cool way of experiencing art.

Achievements

At the end of a busy term it is great to be able to celebrate the many achievements here at Moreton. Well done to all our shining stars who have received a Celebrate and Success or a Christian Values certificate - very well deserved. We have also had attendance winners, book winners, spelling bee's and maths rock stars. We are also proud of those who compete outside of school in many competitions - do send us photos of such events to share achievements across our school community.

Reading winners

Our thoughts and prayers are with the friends and family of Paul O'Grady who sadly died this week. He was on tour in Annie and those performers are missing his enigmatic style too.

Well done to Oliver who won the British Open championships

Lola is currently performing on Tour across Britain in Annie.

Easter

By Isobel

We had a easter lunch with eggs including 3 mini eggs and a roast dinner with carrot cake for desert .

Ruby from yr6 said the food was lovely and made from love .

We made easter cards - these are year 3's

Easter is a Christian holiday celebrating the resurrection of Jesus Christ. According to Christian history, Jesus was crucified on a Friday (Good Friday) and rose again three days later on Easter Sunday. We have celebrated in many ways at school

Easter Walk & Service

By Isobel

This week we have been reflecting on the meaning of Easter and the events leading up to Easter day. We all took part in an Easter walk where we considered the impact of each part of holy week and what this means for us in our lives today. At the Easter service we celebrated with songs, readings, drama and dance. This is our favourite song that we sang during the Easter service:

[Easter Jubilation](#)

We raised an amazing £570 with the Mother's Day raffle and pub lunch. A big thank you to those ladies who came to the lunch, to everyone who brought raffle tickets and to the lovely businesses that donated fabulous prizes.

🌸 We hope that you all had a restful Mother's Day being spoilt by your children 🌸

Bags 2 school also raised £50 so thank you for your donations!

Wishing you a wonderful Easter break and we hope the children enjoyed their small chocolate treat from us!

Best Wishes - FOMS

Easter e-Safety

Easter weekend is just around the corner, and young people's screentime is likely to increase – why not take the opportunity as a family to readdress the importance of online safety before terms restarts?

Childnet have a lot of resources, activities and games for the whole family to get stuck in and encourage safe and positive usage of the internet. Whether regarding devices and screentime, social media, or parental controls – they are here to help you stay on top of all things online safety.

[Staying safe at Easter](#)

Be **S M A R T** with a 

The word "Be" is in a black, sans-serif font. The word "SMART" is written in large, white, bold, sans-serif capital letters, each letter contained within a different colored circle: S (green), M (blue), A (purple), R (yellow), and T (red). To the right of "SMART" is the text "with a" in a black, sans-serif font. To the right of "with a" is a pink circle containing a white heart, and to the right of the heart is a colorful parrot (red, yellow, and blue) facing left.

May God bless you at Easter,
And keep you all year through.
May God give you all the faith it takes,
To make your dreams come true.
May His love and wisdom always help,
To guide you on your way.
May His light shine down upon you now,
To bless your Easter Day.

Easter Blessings

Wishing you a blessed and joyful Easter.
