

Arriving at school

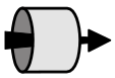

School starts at 8.45am.

I can arrive through the "drop and go" gate and walk

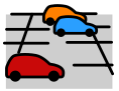

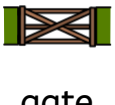

through the playground to my classroom.

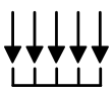

Or I can go to the Dog and Pickle car park and walk

down to the gate there.

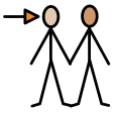

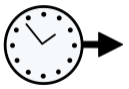

Every morning there are staff on the school gates to

greet us. They know our names and will help

us if we need it.

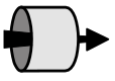

If I need a quieter way into school, I can talk to

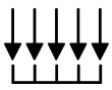

my parents and teacher about this and come in through the

main office.

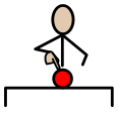

Every morning we do early morning work; this is usually the

same type of work each day so I know what

to expect.

My classroom will have a visual timetable up so I can

see what is happening in the day ahead.

If I am feeling worried or unsettled I can speak to an

adult and spend some time before entering the classroom

so that when I do I am ready to learn.
